AUGUST 2018

47<sup>th</sup> Year of Fishing, Friends and Fun

## KENNY LOUIS GRABS 1<sup>ST</sup> AT OTAY NIGHT TOURNAMENT by Frank Neugebauer

### Night Time is the Right Time at Lake Otay!

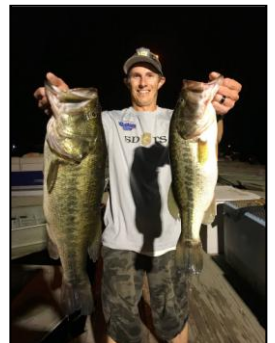

We had our first night tournament of the year at Lake Otay on Friday night and it sounded like the fishing was good, for most people. We had a full moon, bug free night with what I can only describe as very favorable conditions. We had some big fish weighed in with one over 10 pounds and another over 8 pounds. More on that in just a minute. We had 32 people fish with a total of 90 out of a possible 96 fish caught. It sounds like Lady Otay was shining her Love Light on the San Diego Bassmasters.

It looks like we had at least six fish weighed in at five pounds or more and it looks like you needed at least one of those to get one of the top six spots. So let us get to who figured it out. Our Otay Night Winner was Ken Louis who brought in an impressive 17.26 total weight for 3 fish. Ken had monster big fish of 10.18 pounds, the big fish in tournament so far this year, along with 2 other fish. One fish did not make it so Ken had 17.01 lbs. net weight for the night. Great job. Second place was captured by "Nick Meyer Everybody" who had three fish anchored by an 8.29 pound toad for a total of 15.24 pounds. Third place was taken by a guy very familiar with the lake, Stu Kenson, who brought three to the scales, with a 6.30 pound kicker, for a total weight of 13.33 pounds. Congratulations to our top three who should be making some space on their trophy wall right now.

There was a little shake up in the YTD standings with several people, myself included, having a not so great points night even though it would have been hard to find a more pleasant night to fish. "Nick Meyer Everybody" has captured first place but Inder and Greg Gardner are very close behind. We have six of ten in the books for points tournaments but there is still a lot that can happen between now and November. Are you going to be one of the anglers we will be talking about at the end of the year? Make it happen!!!

I would like to recognize the team we had for the weigh-in at Otay. We were under pretty tight time constraints to get in, get launched, fish six hours, recover boats, weigh-in, calculate the results, and get out of there in 8 hours. However, Dina Ammsso, Joe DeSalvo, Greg Gardner, and Ed Marr made it happen. Thank you also to Jim Beyrouthy who also helped load and unload the weigh-in tables and scales. Thank you to all participants for being efficient in getting your fish to the scales. *(Editor's Note: Complete results can be found at the end of this newsletter.)*

**Bunco - Saturday, August 4<sup>th</sup>**

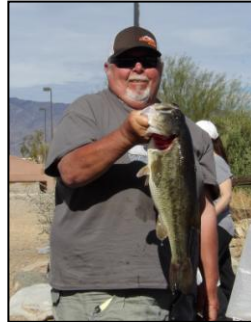

## MESSAGE FROM THE PRESIDENT

Terry Chenoweth

Hello Bassmasters. Good news, our website is up and running. Go to <http://sandiegobassmasters.com>. Jeff Carpenter, Ed Byrd and Joe DeSalvo have spent a bunch of time getting it started. Now we don't have much information up yet and it will take some time getting as much of our historical information back. The bad news is the company that hosted our old site folded without giving us notice and some of our history may have been lost. So, if you have anything to put up on the site, pictures or anything else get it to us to get added.

At our last meeting we voted on two new members Evan Esancy and Dina Amso are the newest to be able to say they are San Diego Bassmasters. They both are very eager to join and start earning year end points at the July night tournament at Lower Otay. Hope you both do well and are around for a lot of years. I would also like to thank Skip Whitworth for donating a Phenix rod that help boost the raffle.

We are into the last third of the year. By the time you read this we would have had our Bunco Night, our last Bassmaster Family event. Ernie Guillen has spent lots of time on the phone and planning to make this a fun night. After that we will only have our Year End banquet where we will hand out all of our end of the year awards. Now I haven't seen the points after the Otay night tournament, so I don't know who of you are in the running for the Top Twelve, Top Six or our 2018 Angler of the Year. But I guarantee a bunch of you were adding numbers in your heads on the drive home Saturday morning trying to figure it out. See you all at the August general meeting.

## *Historical Information about San Vicente Reservoir*

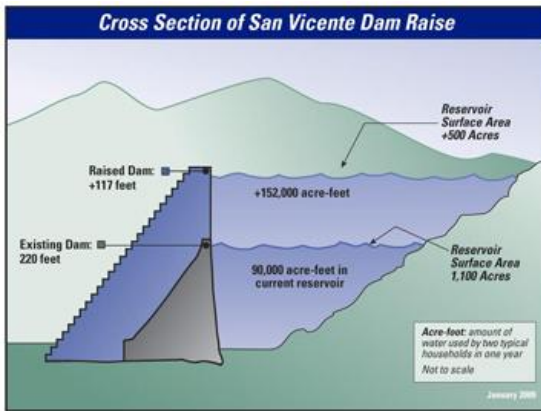

From the San Diego County Water Authority:

Raising the height of San Vicente Dam was one of the last major components of the San Diego County Water Authority's Emergency & Carryover Storage Project, helping ensure that water is available to the San Diego region even if access to imported water supplies is interrupted. The Water Authority raised San Vicente Dam 117 feet to store additional water for regional use during times of water scarcity. It is the tallest dam raise in the United States and the tallest dam raise of its type in the world. The reservoir expansion added more than 152,000 acre-feet of water, more than doubling its capacity. The dam raise created the greatest single increase of water storage capacity in San Diego County history. The new water storage capacity serves two purposes. About two-thirds of it is for

capturing surplus water during wet seasons for use in dry years. One-third of the new reservoir capacity stores water for use in a regional water supply emergency, such as an earthquake that cuts off imported water supplies.

San Vicente Dam has been owned and operated by the City of San Diego since its construction in 1943. At the dam's original height of 220 feet, the reservoir could store 90,000 acre-feet of water for city customers. The City of San Diego retains ownership and use of its original storage capacity, while the Water Authority manages the new storage capacity for use by the region. The two agencies share the cost of operating and maintaining the expanded dam and reservoir.

Construction began in 2009 on the foundation of the new dam. To create a good concrete bonding surface between the original dam and the raised dam, the contractor removed two inches of the downstream, or dry, surface of the dam. The concrete mix for the dam raise was custom-designed to match the strength of the original dam, allowing the two sections of concrete to function as one unit. Nearly all the concrete was produced on-site with rocks mined from the hillsides circling the old marina, avoiding 100,000 delivery truck trips through the local community. Daily laboratory tests confirmed that each batch of concrete met strength and performance specifications. Concrete work to raise the dam began in 2011 and was completed in 2012. Working up from the new foundation, the contractor placed roller-compacted concrete in front of the original dam, then continued up an

additional 117 feet. Roller-compacted concrete is just as strong as conventional concrete but takes less time and water. It is placed in layers, one on top of the other, in a process that resembles road construction. The dam raise was completed in 2014, and the Water Authority started depositing water into San Vicente Reservoir for future use in May 2015. In addition, the Water Authority built a new pipeline for the City of San Diego to replace a section that will be under water when the expanded reservoir is full. Also, a new, larger marina was built to replace the former marina. After construction the City of San Diego reopened San Vicente Reservoir to boating and fishing in 2016.

## **MARK YOUR CALENDARS**

**ATTENTION ALL BASSMASTER WOMEN:** I would like to invite all of the wives/girlfriends to join me for dinner the night the club has its August 24th night tournament. We usually have a small group of 4 to 10 women attend. We will meet around 6 p.m....the place and exact time TBD. As always, everyone is invited back to my house for a game of Mexican Train! Please r.s.v.p. to Cheryl Byrd.

**BUNCO NIGHT:** Mark your calendars for Bunco on August 4<sup>th</sup>. It will be held at the Willowbrook East Mobile Home Estates Club House, 11949 Riverside Drive, Lakeside, CA 92040. This location should be familiar; since it is the same place we have held the Chili Cook-off for the last few years. Everyone is to bring an appetizer to share and pay \$5/person to play. Also, bring some extra money to buy raffle tickets! Bring your family and friends, young and old...all are welcome!

### **Here are the Top Fishermen from the Otay Night Tournament**

**TOURNAMENT TRAIL**

Frank Neugebauer

**URGENT! URGENT! URGENT!**

My Mea Culpa: **OUR NEXT TOURNAMENT IS SAN VICENTE NIGHT 8/24/18**

I apologize for creating any confusion. We voted in and are at San Vicente at night. The confusion was about the PREVIOUS tournament at El Capitan in June if El Capitan ran out of water. That did not happen

Again, I apologize for any confusion I may have caused about our next tournament. WE ARE AT SAN VICENTE AT NIGHT 8/24/18. It is a Friday night. We will have to wait for the lake staff to get everyone off the lake before we can go. We will go out by numbers since we will launch after safe light and will stage up waiting for the okay from the lake staff before we can go out. Since that time is not known at this time, I will announce official time and weigh-in time at the lake.

Joe DeSalvo will, once again, collect your permit money at the General Meeting on August 7<sup>th</sup>. Please be prepared to pay for your permits and Big Fish.

See you at Bunco!

**Approved Schedule for 2018**

January 27	Otay (Fun)
February 24	Otay
March 19-20	Havasu (Mon-Tue)
April 21	Hodges
May 11-12	Lower River (Fri-Sat)
June 9	El Capitan
July 27	Otay Night
August 24	San Vicente Night*
September 22	San Vicente
October 19-20	Lower River (Fri-Sat)
November 3	Otay
November 17	TOC

**MEMBERSHIP NEWS**

Greg Gardner

Hello San Diego Bassmasters. Congratulations and welcome to our 2 new members. Evan Esancy and Dina Ammsso were both voted into our club at our last meeting. According to those members who pre-fished and tournament pre-

fished them; we have ended up with two good members. If you haven't already done so, make them feel welcome. Currently, we have one prospective member, Brandon Kuehl. His name is pronounced Keel. I have seen him on the water twice and I like

what I see. He has a brand new Ranger boat and seems determined about bass fishing. We have also lost one – Justin Chandler. I have been told that he has joined another club.

All that means is we are currently at 44 members, plus 3 family, 7 lifetime, 8 honorary, and 10 at-large members. Still the biggest and best club in San Diego! Good luck to you all!

**Fish Tales**

Doris Cook

**UPDATE ON TERRY!**

Terry writes: I've been asked to update my medical issues. Shortly after the first of the year, I started having occasional pain in my left hip. By the end of February, I had problems with getting my shoes and socks on. My doctors gave me several cortisone shots and physical therapy that didn't work. By mid-April, I could barely walk and was having extreme pain. In June, I went into the hospital and they found out that I had hip necrosis, which means that blood flow to the femur at the hip wasn't

getting blood and the bone was dying. The doctors decided they had to operate in late June and they did a temporary hip replacement, called an antibiotic spacer, to make sure any infection was taken care of before they did the final hip replacement. Since the surgery I am doing very good. All the sutures and staples are out and I can walk with the aid of a walker and best of all most of my pain is gone. The doctor gave me permission to go out in the boat and do some fishing as long as I am very careful in the boat. My final surgery, I hope, will get done in late August and the temporary hip will come out and the final replacement will get installed. Then it will just be rehab and getting ready to fish next year." Thanks for the update, Terry. Keep up the good work and get well SOON.

### **THE BRANTS IN LAKE HAVASU CITY!**

Bud and Donalea Brant moved to Lake Havasu City, in early June. Their house in El Cajon sold in 10 days after it was put on the market, so the packing and moving process happened quickly. They purchased a newly built home on the south side of Lake Havasu City and they have already signed a contract with a pool builder, a must when living in LHC. Right now, Bud is still working four days a week at Esau's and Donalea has been working on getting the house settled. "Even though Bud's work situation is not ideal, both Bud and Donalea feel the quiet and simple lifestyle of living in a small city like LHC is a positive change." Not to mention, Lake Havasu is one of the best places to go bass fishing. Good luck with your new venture, even though you will be missed by all of your San Diego family.

### **MARINES GO FISHING!**

Bill VanWulven held a fishing event for active duty Marines on Sunday, July 29<sup>th</sup> at Lake Otay. Fifteen active duty marines from Miramar and Camp Pendelton checked in at 6:00 A.M. and fished until the 11:30 A.M. weigh in. San Diego Bassmasters, who showed up to help with the event were: Greg Gardner, Ron Overman and Mike Lupo. Bill received a phone call from Ron Overman who was waiting for everyone to show up at Lake Murray and came to find out the event was at Lake Otay. The day was organized by

Sandra Rose, an ex-race car driver who was paired up to fish with Ron Overman. (I imagine there was lots of talk about racing during this event.) There were 18 volunteers available to assist the marines and 3-4 pound fish with the heaviest being 5 plus weighed in. Bill gave each marine a cold bottle of water as they went out and when they came back in. There were six rods, two donated by Phoenix, and tackle bags as prizes and each of the contestants were given a Phoenix hat.

### **HAPPY BIRTHDAYS!**

Members having August birthdays are: 8/25 – Frank Morrin and 8/27 – Janice Eisner. There are no wedding anniversaries this month. Enjoy your special birthdays.

Should you have Fish Tales you would like to share, send to [mscooker@cox.net](mailto:mscooker@cox.net) or call (619) 462-4708.

**SEE EVERYONE AT BUNCO  
Saturday. August 4<sup>th</sup>**

## **ODE TO OTAY**

by Joe DeSalvo

*With Otay night fever in my veins, I  
am dreaming like the night before X-  
mas*

*'Twas the night before "The Otay Bass fest,  
when all thro' the lake*

*Not a Bass was stirring, not even a fry;*

*The boats were stationed strategically by the points &  
rocks with care,*

*In hopes that Mrs. 10 pounder soon would be there;*

*The Bassmasters were nestled all snug in their boats,*

*While in the darkness visions of 25 lb. limits danced in  
their heads*

## VICE PRESIDENT'S MESSAGE

**Ernie Guillen**

First of all, I would like to thank all who joined us at Santee Lakes for the SD Bassmasters family picnic.

With all the volunteers, donations and participation, I believe it made for a fun and successful event for the club. I look forward to the next one. I'd like to shout out to Dave Mack, a

longtime member and currently a member at large, for making the trek from his home in Lake Havasu. This is one event Dave always makes sure to attend. He didn't come alone either. This year he brought 13! family members and friends, which made for an even more fun event. He also ran the Washer Toss event, which was won by his son Eric and Eric's girlfriend Donna.

This year's winner of the Casting Contest was Larry Ward. Larry won a nice spinning combo consisting a Phenix rod and a Diawa reel, which were donated by me and Mike Lupo, respectively. Many members stepped up with donations of gift baskets, tackle storage, chairs and a Phenix fishing rod to help make this year's raffle an interesting and enjoyable one. I thank you all! This club, in my opinion, Rocks!

As you know, I've been writing about the long-time members of this club and how much they have to offer in their knowledge of fishing and the history of this club. These members have given and, to this day, still give to help make this club what it is. I want to add to that group of distinguished members and knowledgeable souls, a special person. Spot – light on Greg Gardner. I know there are others that hold this club dearly in their hearts but I'm here to tell you. I feel, no one more than Greg. I can only speak for myself and others that have held positions in this club that "I'll use his phrase that he uses for others" to also describe him. "He's a good ole boy"! And more. Greg as been a member of this club since 1978, 40 years! He has held the positions of, President- 5 times, Vice President -4 times, Tournament director 6- times and membership 2-times plus this year that he again holds that office, making that 3 times. I don't believe he has been Treasurer, which I might add, his lovely wife Zoe, another astounding member has held. Greg would be a capable treasurer; except for his aversion to electronic devices...he doesn't even own a Cell phone. But he has been, and as long as he is in this club, will be one of the main staples, leg, glue that helps hold and make this club as strong as it is. This position I hold as Vice-President hasn't been the smoothest for me to hold but

so much easier and couldn't have gotten this far without knowing that that this Good Ole Boy has my back, as well as I know that he'll be there for anyone holding a new position in this club. So, when it comes time for maybe anyone of you to step up and do your part to hold a Board position, know, Greg is there. Whether a member of the board or not. I might add, there are many of Greg-like people in this club, which is why it's a great club to be in. But for today reach out to Greg, as I do and will, with a handshake and a Thank you.

Okay, we have only two events left. Bingo Night on August 4<sup>th</sup> at the Willowbrook Golf Course Rec. center in Lakeside and our Yearend Banquet on the 9<sup>th</sup> of December at Sycuan Golf Courses banquet room. Mark your calendars.

I am looking for card tables for our Bingo night. If you have one or two that we can borrow, please call or e-mail me. 619-571-4185, [eguillen19@cox.net](mailto:eguillen19@cox.net). As for chairs, we have plenty.

## NOTES FROM THE TREASURER:

**Joe DeSalvo**

OK, I know I am not a poet, so maybe I got my medications mixed up earlier today. I just had to get this out there to see if anyone is reading these newsletters.

To the serious business now, it's one month past mid-point of the year, so anybody who wants to settle up for the balance of year it is \$150 bucks. I want to thank all who paid last meeting in advance for the balance of year, it makes my job much easier.

The major expenses have been Trophies, Meeting room rent for balance of year, Picnic Kids prizes and contribution to SDBC Raffle for a total of \$587 dollars.

Just a gentle reminder, please remember it is your responsibility to keep your dues up to date, so if you are not sure, please call me.

If you cannot make the meeting just call or text me at 951-235-5205 and send their checks written to "SDBM" to 1958 Alderbrook Pl, Chula Vista, CA 91913.

## San Diego Bassmasters General Meeting July 10, 2018

The San Diego Bassmasters General Meeting was called to order on July 10, 2018 by President Terry Chenoweth at 7:05 PM. Bassmasters greeted members and guests.

Cheryl Byrd moved and Ed Byrd seconded that we approve last month's minutes. Motion passed.

**Greg Gardner – Membership Chair:** Greg introduced the guest at the meeting as Bill VanWulven (owner of Barnacle Bill's Bait & Tackle and a member of the Roadrangers), Brandon Kuiehl (prospective member), Gerie Morrin and Victoria and Hunter Meyer. We have 2 prospective members, Evan Esaney and Dina Ammsso who will be voted on tonight. Greg asked each of them to speak to the membership and then excused them from the room while discussion was held and the vote was taken. They were both accepted into membership. With the addition of the two new members, we have 45 active members, 3 family, 2 inactive, 7 lifetime, 8 honorary, 11 at large, and 1 prospective.

**Ron Overman:** Ron thanked the members that helped with the Crisis House kids' fishing derby at Lake Murray on Sunday, July 8<sup>th</sup>. He also thanked Bill VanWulven for doubling his donation for tonight's raffle and Skip Withworth for donating a rod.

**Terry Chenoweth – President:** Terry gave an update on the status of his hip problems. He says the temporary hip, which was put in the make sure any infection was eradicated before the final hip is put in, has made a world of difference on how he feels and his mobility. He is still getting a daily antibiotic IV, but is up and about with the aid of a walker and has very little pain. The final hip surgery will be scheduled in a couple of months.

**Visitor Bill Van Wulven:** Bill is the president of the San Diego Council of Bass Clubs and long-time member of the Roadrangers Bass Club. The Roadrangers are putting on a tournament at Otay on Sunday, July 29<sup>th</sup> for a group of local Marines. They need some boats and boaters to help out from 6a.m. to 11:30a.m.

**Zoé Gardner:** Zoé thanked Bill for his help on the raffle for our recent picnic.

**Ron Overman:** Ron reported that there was no new news from the Bass Council regarding the Top 6 tournament at Otay on September 8<sup>th</sup>, except that we need to pay \$50 for a fisherman's raffle prize. Membership approved the payment and Joe DeSalvo will cut check tonight.

Discussion was held regarding ordering new shirts and hats. Ron will look into ordering women's shirts and more long and short sleeved nylon men's shirts. Greg Gardner will take charge of ordering the hats. Joe DeSalvo-Treasurer requested that everyone preorder what they want so that the club is not stuck with an inventory of merchandise. The membership agreed.

**Terry Chenoweth – President:** Terry reported on the recent picnic for Ernie Guillen – Vice President who had to leave early. Ernie reported that he felt the picnic was a big success. Thanks to all who helped run all the games, cooked the food, brought side dishes, ran the raffle and make donations. Larry Ward won the Casting Contest and Eric Mack & girlfriend won the Washer Toss. Doris Cook made a suggestion for next picnic that more people need bring non-dessert side-dishes. This year there was only one pot of beans and a couple of salads and fruit. Also brought up was limiting the buy-ins to 1-2 per person for the Casting Contest. Joe DeSalvo recapped the financial end of the picnic as a net expense of \$177. The breakdown is as follows:  
Food & Drinks: \$120 - \$150  
Reservation: \$285 (net)  
Raffle Income: \$630  
Casting Contest Income: \$145 (rod & reel donated)

Bunco is our next social event on August 4<sup>th</sup> at the Willowbrook East Mobile Home Estates Club House. Ernie will be contacting everyone and we need card tables (no chairs). The cost will probably be \$10/person.

**Terry Chenoweth – President:** Terry reported that Jeff Carpenter & Ed Byrd have been working diligently on restoring the webpage. Since we lost our domain name and could not retrieve the access codes, Jeff created a new page. The new name is "sandiegobassmasters.com". All the historical data will need to be restored, if possible, but the most current newsletters, tournament results and standings are there. Thanks to Jeff and Ed for their work. Also, Joe DeSalvo has been updating the calendar and loading some pictures. If you have a recent fishing picture you would like posted, contact Joe.

The next board meeting on July 17<sup>th</sup> has been moved from Greg's to Terry's house to accommodate Terry's limited mobility. Terry also thanked Dina Ammsso for the pizza tonight and asked for volunteers for next month's refreshments: Greg Gardner and Frank Neugebauer volunteered.

**Joe DeSalvo – Treasurer:** Recent expenses were \$117 for trophies, Picnic \$177, Top Six \$50 (requested tonight). Joe did not have the bank total tonight but said the treasury was healthy.

**Frank Neugebauer – Tournament Director:** Frank handed out the trophies for the June 9<sup>th</sup> El Capitan tournament. 1<sup>st</sup> place: Inder Lopez - 18.61 lbs., Ron Overman – 16.82 lbs., Terry Foreman – 16.49 lbs. and Frank Neugebauer with Big Fish of 4.91 lbs. Frank reported that there were 5 dead fish left in a bag at the end of the tournament and reminded everyone that it is their responsibility to take care of their own dead fish.

The sign-up for the Otay night tournament was passed around. The next tournament is on Friday July 27<sup>th</sup> and will be launch and go at 7:30 p.m. There is a 3 fish limit and a 13" minimum. You can run to your first stop on plane and all subsequent moves not on plane. Your lights must be on the boat before you launch and they must be on when you move using the big motor. When moving on the trolling motor, the anchor light must be on. Some type of light must be on at all times while fishing (anchor light or glow sticks). Weigh-in will be at 2 a.m. and we must be out of the gate by 3:30 a.m. Frank will collect the Big Fish money as usual and Joe will collect the permit money tonight. Do not buy your permits at the lake, as it must be included in the check Joe writes to the City. Frank reminded us to use a second bag for a fish over 5 pounds. Don't forget your bug spray!

Break – 8:05 to 8:20.

Pairings were drawn during the break for Otay and Frank announced them after the meeting resumed.

Meeting adjourned at 8:30 p.m. by Terry Chenowth.

Respectfully Submitted,  
Cheryl Byrd Secretary Pro tem
